Associations

Areas of practices

- Tax & Estate Planning

Juliette has close to 15 years' experience advising high-net-worth individuals, families, entrepreneurs, and business owners.

Juliette has a specific focus on:

- Dedicated tax advice on corporate and personal tax matters for (U)HNWIs, families and entrepreneurs
- Estate planning and business-related matters for private clients and their advisors,
- Tailor-made family businesses (re)organisations, including designing family holding and commercial entities, real estate and private equity structuring, governance matters, inheritance planning, etc.)

Juliette started her career at one of the Big 4 firms for 7 years and also worked 6 years at a boutique law firm, both based in Luxembourg.
