2003 Free State of Saxony, Germany (2nd State Exam)

2001 University of Dresden, Germany (1st State Exam)

TRANSACTIONS**DUE DILIGENCE**

MOLITOR have been recommended to the client by the Belgian law firm. The client intended to sell the shares he held in a Belgian commercial company, which has several branches in Europe and one in Luxembourg. The Luxembourg branch performs some commercial activities in Luxembourg through several shops located in the centre of Luxembourg and in shopping centres. MOLITOR performed a due diligence and drafted a due diligence report on documents involving the Luxembourg branch and concerning corporate, real estate, environmental, commercial, IP-IT and labour matters.

FINANCING OF ROLLING STOCK

MOLITOR assisted a bank in the financing of rolling stock of one of the banks clients. Our work included the drafting of the security agreements and the drafting of a legal opinion.

SYNDICATED LOAN

MOLITOR assisted a Swiss Bank, as lender and agent of a banking consortium, to advise and provide a legal opinion on the Luxembourg law aspects of a CHF 500 million five-year syndicated loan.
