

Reform of Luxembourg Company Law - Issue #2 - Sociétés Anonymes

Categories : News

Date : 10-08-2016

As anticipated in our newsletter of July 2016, on 13 July 2016 the House of Representatives (Chambre des Députés) passed an important set of amendments to Luxembourg company law, by approving the long-awaited draft bill of law No. 5730. This bill was adopted on 18 July 2016 (as the requirement of a “double approval” by the House of Representatives was waived) and, finally, published in the Luxembourg Official Gazette on 19 August 2016. The new law of 10 August 2016 therefore came into force on 23 August 2016 (the "Law"). It impacts mainly the Luxembourg Civil Code, the Law of 10 August 1915 concerning commercial companies and the Law of 19 December 2002 concerning the Trade and Companies Register.
