

Register of Beneficial Owners in Luxembourg – A new disclosure obligation for Luxembourg companies

Categories : News

Date : 18-01-2019

Deriving from EU Directive 2015/849, as amended by EU Directive 2018/843, Luxembourg has implemented a new law concerning the creation of a register of beneficial owners and a new disclosure obligation notably for most commercial companies. Any entity falling within the scope of this new law will have until 1 September 2019 to comply with it.
