Luxembourg, 5 October 2016 – It didn't take us 20 years to become one of Luxembourg's leading independent business law firms, but now, celebrating our 20th anniversary, we can say that we've definitely acquired a long-lasting experience of providing prime quality legal advice.

"20 years of excellence in law practice, proven by continuous growth and satisfied clients – our 20th is definitely worth a celebration. Thanks to our clients, friends and colleagues, we've made MOLITOR special, by respecting our core values independence, service and ethics", said Michel Molitor, Managing Partner.

The firm is still driven by these principles and its entrepreneurial spirit, which have enabled it to grow and prosper over the past 20 years. *"MOLITOR works with intensity and determination on clear and focused legal solutions for its national and international clients. For the next 20 years, we will remain fiercely independent, retaining our own character and our human approach",* said Paulo Lopes Da Silva, Partner and Co-head of Litigation & Dispute Resolution.

Michel Molitor continued: *"We are not a boutique firm nor do we do everything, but in our chosen practices we hold our heads as high as any other firm, and our loyal and ever-expanding client-base tells its own story about our skills and service."*

MOLITOR has substantial international and cross-border experience and is ranked in the leading legal directories in all its main practice areas.
