### WHAT WE OFFER

You will be part of an international team of lawyers, operating in an exciting business environment of a full-service law firm dealing with both domestic and international client networks. To foster your continuous professional development, we offer you both internal and external training. You will be challenged from day one and will be working both autonomously as well as in project teams.

We have a strong focus on how we recruit train and reward our staff and always ensure that they are fully aligned with our work culture built around our four fundamental values: Service Excellence, Integrity & Trust, Teamwork and Approachability.

Our staff work together cohesively, applying our key values of placing team goals above individual goals and focusing on building trust and rapport with our clients, who note that approachability is one of our differentiating traits, alongside service excellence.
